What happens when the hierarchies become so unbalanced that the entire tower topples over?
How is unconquerable evil conquered?
How did St. George slay the dragon?
How did David slay Goliath?
What happens when an Ai signal takes over unchecked?
When are reinforcements called in?
Patriots & lightworkers must work together.
The Matrix is cracking undoubtedly.
Who steps into the throne of King next will be assured to determine the path forward.
Project World Evacuation is always on the table.
Generous distance in proximity to urban epicenters is advisable at this time.
The Ground Zeros.
Your civilization is crumbling,
As did Rome fall.
How quickly it will be rebuilt will be determined by you.

It's good to understand that when Trump talks about "an invisible enemy," and when he says, "they die too," he's talking about a centuries-old Luciferian cult. He's not talking about a virus. He's talking about really bad people who are currently being sent to military tribunals.
P.S.
He's not talking to us.
He's talking to them.

What would have happened if POTUS challenged the COVID-19 narrative from the beginning?
Sometimes you can't TELL the public the truth.
YOU MUST SHOW THEM.
Who benefits the most?
WHY ARE [D]'S SOLELY FOCUSED ON CLOSURE [RETAINING] AND VOTE-BY-MAIL?
They do not care about your well-being.
You are simply in the way.
This is about regaining POWER.
Self-preservation.
Every asset deployed.
Win by any means necessary.
WIN OR DIE.
